They're just here on holidays

Ré Dó

Like dummies feel in landscapes

You just drove in to hell, you know

Mi Sol Dó

A kind of hurt that binds

Ré

A light that loves you blind

Mi Sol Dó

And while your feet go

Ré

Go deeper in the sand

You wave and drown

You wave into the croud

That says

Dó

But they don't know how it really feels

Ré Dó

They're just here on holidays

Ré Dó

Like dummies feel in landscapes

Ré Mi

How could they see you cry

Dó Ré

How do you remember me

Dó Ré
